OpticSlim Series

A Fast Scanning Solution for Large Format Document Scanner

The OpticSlim 1680 is an 11.69" x 17" tabloid sized scanner, designed for large format document scanning. It can simultaneously scan two pages spread book, two letter-sized pages, large-format magazines, legal-sized documents, scrapbooks and newspaper.

In addition, the OpticSlim 1680 is ideal for scanning fragile, delicate, small or important documents, photos and artwork.

These features is suitable for corporate offices daily and routine scanning work, the school and library document preserve, government historical document scanning, graphic designers, publishing companies and for those who require high quality large format scanning at a reasonable price.

OpticSlim 1680
